**The Horseshoe Farm offers a perfect combination of relaxing retreat and wedding venue rolled into one breathtaking experience.**

Located just outside of Asheville, The Horseshoe Farm offers over eighty acres of pristine, riverfront land along the French Broad River and is best described as an intimate, family-style, experience with all the service and amenities of a luxury, 5-star hotel.

It is a perfect destination for family gatherings, romance retreats, or yoga and wellness escapes. Guests can stay in an assortment of villas, a manor or a band-orium; cook up their own family-style dinner at The Silo Cookhouse, roast marshmallows in the grand fire pit, take advantage of on-site stables, or find relaxation at The Stable Spa.

Built on a foundation of community and family, The Horseshoe Farm is a place for gathering and connection. On October 23rd, with the support of the Henderson County Chamber of Commerce and Asheville Regional Airport, The Horse Shoe Farm proudly celebrated its grand opening with a ribbon-cutting ceremony. The nearly 200 attendees present helped set the tone for a prosperous year ahead. The Horse Shoe Farm staff welcomed friends, family, and members of the community for a lively evening of hors-d'oeuvres, drinks, live music from Me & Dave, and tours of the property.

The Horseshoe Farm offers over 80 acres of pristine, riverfront land along the French Broad River and brings to life the best features of a family-style, farm-stay with the unmatched amenities and comforts of a five-star hotel.

Guests can enjoy pampering at The Stable Spa, find a moment of stillness and quiet contemplation in The Silo, enjoy many hiking and horseback riding trails nearby, or enjoy a breathtaking sunset while roasting marshmallows.

There are seven luxury vacation homes available for bookings, including a manor and band-orium, which combined can sleep around 50 people. Accommodations are equipped with accompanying stables. The property has two large inside event spaces and plenty of outside space to customize celebrations. Event spaces include the fully renovated Big Sky Barn, The Sanctuary, The Sunset Barn and The Farmhouse.

In the short time of being in operation, The Horseshoe Farm has hosted two weddings, a yoga retreat and numerous solo travelers that seek a reprieve from daily life. In the future, The Horseshoe Farm will look forward to hosting Farm-to-Table dinners, group and yoga retreats, family reunions, corporate events and more weddings. As Principal Manager, Jordan Turchin, states, “the seeds that we’ve planted are just starting to grow, and we are thrilled to be growing them with all of you.”
